GREEN WASTE AND CHRISTMAS TREE RECYCLING

Details of how to prepare your Green Waste for pick up can be found on the Buckeye website www.buckeyeaz.gov. Go to Departments; Public Works; Solid Waste to find the detailed brochure – look for Green Waste pages 9 - 11. **CHRISTMAS TREE COLLECTION AT THE CURB**

2014-2015

First Quarter 2015

GW Zones	Placement Begins	Collection Day
GW1	1/8/15	1/12/15
GW2	1/9/15	1/13/15
GW3	1/9/15	1/13/15
GW4	1/10/15	1/14/15
GW5	1/10/15	1/14/15
GW6	1/11/15	1/15/15
GW7	1/12/15	1/16/15

Please remember when preparing your Green Waste: Tree branches, brush, shrubs must be cut into lengths no longer than 3'-0". Branches, brush and shrubs should be bundled and tied with the diameter of the bundle being no larger than 2'-0" in diameter. **Due to the ease of handling, Christmas trees do not have to be cut.**

The pile of green waste cannot exceed 6'-0" deep x 6'-0" wide and 6'-0" high. No other materials can be placed out for collection during the Green Waste Collection days. If you have questions, please contact the Public Works Department – Division of Solid Waste at 623-349-6826.

There will be:

- **No Drop-Offs for Christmas trees – place them at the curb with all green waste;**
- **do not place green waste in the alleys if you live in Verrado;**
- **Remove all garland, lights, bulbs and tinsel from your tree – DO NOT PLACE IN A PLASTIC BAG – IT WILL NOT BE PICKED UP.**

If you have small green waste items, clippings, plants and trimmings they must be placed in a metal or plastic can no larger than 35-gallons. For more details visit www.buckeyeaz.gov Public Works – Solid Waste – and click on the brochure picture; Green Waste pages 9 - 11.
